Number	Location	Proposal	Comments
2021/00004/PAC	Cowbridge Comprehensive School, Aberthin Road, Cowbridge CF71 7EN	Proposed New Primary School and associated works	(See comments below)
<p>Cllr Andrew kindly drafted a response to this application, the council agreed with his comments that the Council objects to the application under the following grounds:</p> <ul style="list-style-type: none"> <li>a) The majority of local residents are against the application.</li> <li>b) The proposed site has been chosen without proper consideration of alternative sites.</li> <li>c) A number of Parking Safety concerns were raised over conflict between parents' cars and school children at pick-up/drop-off times</li> <li>d) The Transport Assessment noted that the school benefits from a dedicated 'safe' walk route from Cowbridge Town Car Park but points the route is not lit and therefore would be less attractive during the winter months when daylight is diminished during the school commuting periods.</li> <li>e) Concerns were raised that there are currently problems at drop-off and pickup times</li> <li>f) It was noted that the development will have a material impact upon the operation of the local highway network.</li> </ul>
